Just found that

She and other Muslims are such liars. She brings up the issue about the Native Americans in the past. Meanwhile, she is a Muslim and considers them to be pagans. According to her own quran, the pagans are to be slaughtered. Whenever a Moslem brings that or other incidents up, they are just using it as a convenient false argument against the fact that they are pro terrorism.

Here is a page on her:

Here is a good quote by a counter terrorism expert about Sarsour:

“There’s really only one reason why anyone would go to speak at ISNA, and that is to associate with, and validate, the efforts of Islamists in the United States,” Kyle Shideler, a counterterrorism expert at the Center For Security Policy tells Conservative Review. “If Linda Sarsour is really going to be the new face for the left, they may want to think again about attending conventions with groups that are known to have funded terrorists.”

Here is a NY post article from April:

Can she be deported as a terrorist enemy ?

And it is disgusting that she gets money thrown at her while there are poor Americans who barely scrape by. She is a terrorist devil.

Simcha Bard should realize the inherent danger and threat "Moe" poses to the Jewish people and to all people who are targets of Islam.

"While there, she posed for a picture with Salah Sarsour, a member of the Islamic Society of Milwaukee and former Hamas operative who was jailed in Israel in the 1990s because of his alleged work for the terrorist group. The U.S. government designated Hamas a terrorist organization in 1995."

This bitch and her brother are not Americans, they are Mohammadan terrorists, agents of the international Islamic Ummah, and should be expelled.

She was scheduled to share the stage with Chirlane, the mayor's wife. In her mind Sarsore must be thinking "this is a raisin headed kaffir" like Muhammad said about the blacks.

Slogan idea: "SarSORE is a rotten festering sore on America and the world! Her very presence makes people sorely sickened!"

More on Jew-Hater Hamas Islamic Nazi Terrorist Linda Sarsour mentions her hard links to Black Hitler Farrakhan.

Linda Sarsour works tight with the Hamas front group called CAIR. Sarsour attacks Jews and praises Black Hitler Farrakhan for hating Jews too.

Sarsour [is also tied](#) to anti-Semite hater Louis Farrakhan and the Nation of Islam. [Algemeiner](#) reports:

In 2012, Sarsour publicly [embraced](#) the NOI [Nation of Islam] as “an integral part” of “the history of Islam in America,” [emphasizing](#) that “Sunni, Shia, Sufi, Nation of Islam — we are #Muslim, we are all part of one ummah, one family. #Islam.” Two years later, Sarsour [insisted](#) that it was not possible to “learn or teach about the history of Islam in America without talking about the Nation of Islam (NOI).”...

...Sarsour’s own record of statements on social media and elsewhere [indicates](#) that she shares some of Farrakhan’s views on the malignant Jewish influence in America — though Sarsour would usually avoid denouncing Jews as such and instead refer to Israel or Zionists. However, as far as Sarsour is concerned, the world’s only Jewish state has no right to exist: in 2012, she [accused](#) Israel of “occupying my people 4 the past 64 years,” indicating that she considers Israel establishment in 1948 as the beginning of the occupation. Sarsour is also a [supporter](#) of BDS, the movement that singles out Israel as a target for boycott, divestment and sanction, because — as prominent BDS leader Omar Barghouti once [put it](#) — “the two-state solution ... was never a moral solution” and “the rapid demise of Zionism” was inevitable: “Zionism is intent on killing itself. I, for one, support *euthanasia*.” [Emphasis original]
